5th May 2017

Dear Parents/Carers

As part of our topic Farm to Fork this term we would like to take the children to visit Greenacres Farm. During our visit we will look closely at animals, talk about their life cycles, the care they need and what their link to our food is. We will also look at crops and the food they will become and show the children that farms are the producers of the food we all eat every day.

We will visit the farm on two separate days, Mrs Morris' class will go on Tuesday 23rd May and Miss Reece's class will go on Thursday 25th May and the trip will be during the school day.

Children will need outdoor clothing along with wellies and a waterproof jacket. Weather permitting please also provide a sunhat and apply suncream. We will be having a picnic lunch so please provide your child with a packed lunch and a drink. If you are entitled to free school meals and would like school to provide a packed lunch for your child please tick the box below.

We are asking for a contriution of £5.00 per child to cover the cost of the visit. Payment for this should be made via our School Money website and you will be sent notification and a password reminder to enable you to do so. Please complete and return the permission slip below by Thursday 18th May.

Yours sincerely

Miss Reece and Mrs Morris
Year 3 Teachers

Year 3 Trip to Greenacres Farm

I give/do not give permission forclass.....
to attend the trip to Greenacres Farm and will pay £5.00 via School Money.

Contact number on the day

Medical needs.....

I am entitled to free school meals and would like school to provide a packed lunch
