6th October 2017

Dear Home

As of Monday the entrance for Christchurch will be different and the green side gate will be closed.

When the school was built this was never intended to be an entrance or exit in the school plans, residents have complained about the build up of cars parked at the front of school and the gate is being left open.

The safeguard issue in the gate left wide open is our main reason for this change. It has been observed on numerous occasions that the gate has been left wide open and this means that a child can get through straight to a car park. We are not prepared to be responsible for a child wandering off and getting hurt. **We are sure you agree the children's safety is paramount.**

Therefore, as of Monday 9th October the main entrance and exit for all at the beginning of the day and at the end of the day, will be the two gates Beeches and Lansdowne. This includes CCPSN parents and CCPSN will now open for drop off at 8:50am.

The lunchtime pickups from both nurseries remain the front entrance at school.

We have a clear system so that we can ensure the children leave safely and we hope you will be tolerant of these changes in the view that it is to ensure the safety of all the children at Oakmeadow. This is very important to us. We are also extremely sorry if this causes any inconvenience, however we as a school feel the safeguarding must be the priority.

We hope you can appreciate we put the children first and the inconvenience second. If there are any disability concerns or reason this needs to be adjusted for you as an individual, please contact Mrs Whelan. We are more than happy to discuss individual arrangements for valid reasons and make reasonable adjustments for the main reception area to be used, this will require a formal school agreement however.

Thank you.

Yours sincerely

The EYFS team and CCPSN
