Dear Home,

Parking and driving in Longmeadow

I have been contacted again by residents in regard to traffic along Longmeadow Road. As a school we hold no power over the roads and so I write this letter to support the local community and ask for your assistance.

It has been claimed that there is inappropriate parking, driving and a disregard for the residents on this road. As a school we have recommended that if this is witnessed, a photo or recording is taken to share with the police. We are aware this road can often be very difficult to manoeuvre down due to inconsiderate parking and have reassured residents we will request that our parents, staff and visitors are considerate in their parking and driving when visiting both school and the music service.

As we all ultimately have a priority of ensuring children's safety, I believe working together to support this moving forward positively is achievable.

With this in mind we ask:

- Please park considerately when visiting the main entrance to the school. Please DO NOT park in disabled bays unless you have a disabled badge. These are there to support our disabled visitors.
- Please acknowledge the zig zags at all school entrances, being aware these are there to keep our children safe. Please do not park on these - it is an offence.
- Please acknowledge the speed limits around school and why they are in force. Keeping to these can save lives!

Thank you for supporting us to ensure we are a safe school.

Carla Whelan

Head Teacher
