4 January 2018

Dear Parents/Carers

I thought it would be useful to summarise the final arrangements for next week.

Please can children come to school at the usual time on the morning of Monday 8th January? All bags can be left in the main hall (you may find it easiest to enter via reception) and we will be able to double check asthma/medical needs before we leave. Please say your goodbye's in the school hall before you leave.

Please pack old clothes where possible because they are likely to get very muddy! It is very useful to send a bin bag for wet or dirty clothes on the way home. If you wish to send some pocket money with your child there is a **limit of £5** for the week. No mobile phones, electronic equipment or valuables are allowed on the trip. No cameras are needed, but if your child wants to bring one, please send one which is disposable or inexpensive.

On Friday 12th January, we will leave Arthog after lunch and hope to be back at Oakmeadow for the normal end of school, but will update you if there are any delays.

If you have any queries or concerns before the trip please do not hesitate to contact school.

Yours sincerely

Mrs L. Jones
Deputy Headteacher
